SUMMARY

I have always proven to manage team operations with diplomatic and respectful leadership. High-energy problem-solver, knowledgeable about competitor strategies and talented in adapting team techniques to overcome challenging situations. I am productive with a proven track record of successful project management.

EXPERIENCE

Learning Lions, Turkana — IT coach

MAY, 2023 - PRESENT

I have been a coach/trainer in sessions such as web development, Computer programming, Digital Office, Digital media and many more.

SportLight School, Lodwar — Teacher

JAN 2019 - MAY 2022

I was a chemistry and Biology teacher and later became a private tutor to some students during the corona period.

I established a clear objective for all lessons units to achieve success.

EDUCATION

AIRADS College, Eldoret — Diploma

JAN, 2018 - 2021

I took a study on P1 as a teacher, majoring in sciences.
